Get money back from Efficiency Smart on your purchase of qualified energy-efficient products. This rebate offer is good while funds are available and may be subject to change without prior notice. All rebate requests must be postmarked or emailed within three months of purchase date and no later than January 7 of the following year. Eligible products must be installed at an address served by a participating electric system. All products must be new to qualify. Used or refurbished products are not eligible for a rebate

## To receive your rebate:

1. Fill out this form completely.
2. Enclose or attach a copy of your dated sales receipt along with this form.
3. Mail or email the documents to the address below.

Only those customers who have a current account with a municipal electric system that participates in Efficiency Smart and whose product(s) meets all requirements are eligible for rebates.

**Mail to:** Efficiency Smart – Rebate Offer  
1111 Schrock Road, Suite 203  
Columbus, OH 43229

**Email to:** [home-rebates@efficiencysmart.org](mailto:home-rebates@efficiencysmart.org)

\*Not all ENERGY STAR products are eligible for rebate. Some products must meet the higher standards of the Consortium for Energy Efficiency's (CEE) Tier 2 or Tier 3 specifications or other criteria to qualify. Please read each product's rebate information thoroughly for any qualifying statements.
