

Electric Meter Instructions and Conditions of Use

PLEASE READ THIS PRIOR TO USING THE METER

CONDITIONS OF USE AND LENDING

By opening this package, the borrower indicates that he or she understands and agrees to the below conditions. If you do not agree with these conditions please follow the directions at the bottom of this sheet to return the meter.

The borrower agrees not to use the meter with appliances in excess of 120 volts/15 amps.

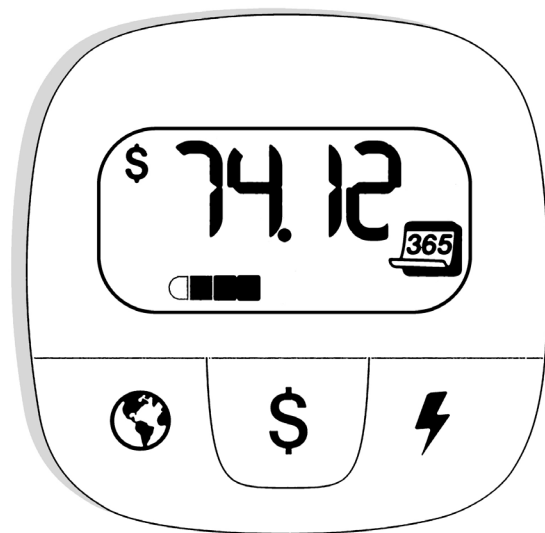

The borrower agrees to return the enclosed meter on time and in good working order.

The enclosed meter should be returned with a postmark no later than _____.

Please call Customer Service if you need more time. If you fail to return the meter and we have not received an explanation, we will replace the meter and bill you \$30.

RETURNING THE METER

- Place the meter in the box that it came in.
- Secure the prepaid return label enclosed with the meter onto the front of the box.
- Seal the box with shipping tape.
- Bring the box to your local post office and give it to a clerk to mail.
